

Nature's Winter

Appreciation, Pause, Reflection

Appendix 16 - Appreciation

Appendix 17 - Pause

## Appendix 18 – Reflection

### REFLECTION

[What went well?  
What were you  
pleased with?]

- Dealt well with short timescale
- Use of installation by gallery team and visitors
- ~~Good~~ Final installation
- Good team

### HIGHLIGHTS

- Quality of final installation
- Positive team / sense of collaboration
- Positive use of final space
- Use of online collaborative tools = very positive

[What didn't go well?]

- Less community engagement than hoped.
- Problem with production / carpenter
- Issues with tech that were unresolved
- No free access to final installation - limits accessibility

### REFLECTIONS GOING FORWARD

- Hard to work to tight timescale - pressure
- Build in more time to reflect / rejuvenate
- Online tools excellent for remote working
